4th Annual JA Bowl-A-Thon

Help us get the ball rolling . . .

How does my role in the JA Bowl-A-Thon fit into the big picture?

A \$100 donation sponsors a volunteer with one K-12 program kit. Through the pledges you raise in the JA Bowl-A-Thon, you help to defray the cost of student program materials. The funds raised by the JA Bowl-A-Thon greatly impact JA of Central Iowa's annual budget; your fundraising efforts play a crucial role in providing financial literacy programming to local students each school year!

How can I do more to help JA?

Are you ready to help students realize their boundless potential? Keep bowling for the kids and get your friends at other companies to form a team too.
